

Internships at Lutanda Mt Victoria

"The purpose of an internship at Lutanda is to provide a young person with the personal and practical skills to work in the Outdoor Recreation Environment. The aim is also to provide discipleship within the Christian Camping context to grow and develop young people spiritually."

Lutanda Mt Victoria

Lutanda Mt Victoria is located on the western side of the NSW Blue Mountains. Lutanda is a Christian Camping and Outdoor Education ministry working with youth connected with Christian Community Churches of Australia. We minister to youth in schools, churches, with intellectual disabilities and those in the out of home care system to improve their lives in difficult situations and help them see the relevance of Jesus in their lives today. We serve churches and community groups by providing a

great place for a retreat to strengthen your faith in Jesus. Throughout the history of the site Mt Victoria has run several intern programs. Now we are very excited to bring internships back once again in 2019. Check out more about us at Lutanda.org.au

Why do an Internship?

Lutanda offers a live-in internship, where all meals and accommodation will be available to you all year.

As a part of a Lutanda internship we want to offer our interns opportunities to stretch themselves, grow, experience new things and have fun in God's creation. We try to achieve this through several outdoor experiences throughout the year aimed to sow into the development of our interns.
